

**INDEPENDENT AUDITOR'S REPORT**

The Members of **ONATTUKARA COCONUT PRODUCER COMPANY LIMITED (CIN: U01133KL2015PTC037897)**

**OPINION**

We have audited the financial statements of Onattukara Coconut Producer Company Limited, which comprise the Balance sheet as at 31st March 2021, and the statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the 'Basis for Qualified Opinion' section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its profit for the year ended on that date.

**BASIS FOR QUALIFIED OPINION**

*1. In respect of trade receivables, trade payables, short term borrowings and certain current liabilities, external confirmations of the balances are not available. Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.*

We conducted our audit of the financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## **INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. The Report of the Board of Directors and annexures thereof are not made available to us at the date of Audit report. We have nothing to report in this regard.

## **RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements

that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

The provisions of the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

When parts of an item of Fixed Assets/Property, Plant and Equipment have different useful lives, they are accounted for as separate items (major components). The cost of replacement spares relating to Fixed Assets/Property, Plant and Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

#### **c. Cash and cash equivalents (for the purposes of Cash Flow Statement)**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances [with an original maturity of three months or less from the date of acquisition], highly liquid investments that were readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### **d. Cash flow statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and Financing activities of the Company are segregated based on the available information.

#### **e. Revenue recognition**

Sales are recognized, net of returns and trade discounts, on transfer of significant risk and rewards of ownership to the buyers, which generally coincides with the delivery of goods to customers.

#### **f. Other income**

Interest income on deposits is recognized on a time proportion basis.

#### **g. Property, Plant and Equipment and Intangible Assets**

##### **Property, Plant and Equipment**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure in making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying Property, plant and equipment up to the date the asset is ready for its intended use. Subsequent expenditure on Property, plant and equipment after its purchase is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previous assessed standard of performance,

## **Intangible assets**

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses. An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. The depreciable amount of intangible assets is allocated over the best estimate of its useful life.

The company capitalizes software where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over the management's estimate of its useful life of three years.

## **h. Capital work-in-progress**

Assets which are not ready for their intended use are carried at cost, comprising direct related incidental expenses and attributable interest.

## **i. Depreciation and amortization**

Depreciation on tangible and intangible property, plant and equipment has been provided on written down value basis as per the useful life of the assets assessed as under based on technical advice, taking into account the nature of asset, the estimated usage of assets, the operating condition of the asset, past history of replacements, anticipated technological changes, manufactured warranties and maintenance support etc.

## **j. Inventories**

Inventories comprise finished goods, work in progress and raw materials. Inventories are valued at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost is determined using weighted average method. Cost includes all charges incurred in bringing the inventories to their present location and condition. Finished goods include appropriate proportion of overheads.

## **k. Back ended credit subsidy, equity grant & Venture Capital Assistance (loan)**

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/subsidies will be received. Government grants related to depreciable property, plant and equipment are treated as deferred grants which is recognised in the statement of profit and loss on a systematic and rational basis over the useful life of the asset, i.e., depreciation charge on assets procured from such grants is appropriated from Deferred Grant and recognized in the Statement of Profit and Loss by way of reduced depreciation charge.

Revenue grants and subsidies are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis and are deducted in reporting the related expense.

## m. Earnings per share

Basic earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year as adjusted to the effects of all dilutive potential equity shares except where results are anti-dilutive.

## n. Taxes on income

Income tax comprises current tax and deferred tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognized on timing differences; being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. However, there are unabsorbed depreciation and carry forward losses, deferred tax assets are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off

## o. Borrowing cost

Borrowing costs includes interest and ancillary costs incurred. Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset, pertaining to the period from commencement of activities relating to construction/development of qualifying asset up to the date of capitalization of such asset, are capitalized as part of the cost of that asset. All other borrowing costs are recognized as an expense in the statement of profit and loss in the year in which they are incurred.

## p. Impairment of assets

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an assets net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to

their present value using a pre-discount rate that reflects the current market assessments of time value of money and the risks specific to the asset,

Reversal of impairment loss is recognized as income in the statement of profit and loss.

## q. Provisions and contingencies

Provision is recognized when the Company has present obligation as a result past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding employee benefits) are discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Assets are not recognized in the financial statements. Contingent liabilities are disclosed in the notes to accounts.

## r. Leases

Lease arrangements where the risks and rewards incident to ownership of an asset substantially vest with the lessor are recognized as operating leases, lease rent under operating leases are recognized in the statement of profit and loss account on straight line basis.

## s. Material events

Material adjusting events occurring after the Balance Sheet date are taken into cognizance.

## t. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
